PROJECT DEVELOPED

Website Developed

- 1.Unity Workers & Constructions(Working)**
An online platform connecting clients with service providers such as carpenters, plumbers, electricians, and more. Clients can directly interact with professionals through a unified website.
- 2.Restaurant Billing Management(Working)**
Manages customer billing with details such as item name, price, GST, quantity, date, and payment method.
- 3.Web pages**
 - Line Follower Robot with Arduino
 - Spiritual and Religious Content (Working)
 - Amazon, Myntra, Netflix (Frontend clones only)
- 4.Hospital Registration App using AI (Working)**
Allows patients to book appointments from home. The user interface is inspired by ATM screens for simplicity and ease of use.
